Dear GP

This will be our last Newsletter for 2021. Thanks to all of you who have continued to attend our lectures virtually, and for embracing our new way of learning, I do hope you continue to find it a useful learning tool for your surgeries.

I would also like to thank you all personally for the continued support you offer to the public at large, in what continues to be another challenging year which seems to change and evolve each day, with not much notice. I know all our team at Litfield House would like to say a big thank you to you all.

Although the recent Press Conference has asked the public to work from home if possible, Litfield House will remain open, but will be closed on the following days over the Christmas/New Year period:

Friday 24th December - Wednesday 28th December

Friday 31st December (pm) - 3rd January

May this holiday season be filled with laughter, joy, health, and peace. Wishing you all a very Happy Christmas and New Year from us all at Litfield House.

Trisha Tanner

Practice Manager
