Dear GP

I hope you are all enjoying your summer and at times extraordinary weather.

Some rental availability has just become available in our consultancy, treatment, and therapy rooms. We also have availability in our self-contained Day Surgical/Operating Suite. Should you be interested in renting, please call me on the above number or email me [businessmanager@litfieldhouse.co.uk](mailto:businessmanager@litfieldhouse.co.uk). Details of the rooms are as follows:

I'm also excited to announce that we will shortly be in the process of updating our website, which not only provides patients with general information about Litfield House but will also showcase the members who work out of Litfield House. We will let you know when it's up and running (which should hopefully be by the end of the year latest).

## CONSULTANT OF THE MONTH – MARIANNE MCENNERY

Marianne McEnnery is an Audiologist with 25yrs experience in the NHS and private practice

Marianne would like to introduce you to her new clinic at Litfield House. Having moved from Nuffield Health in April this year and installing her Soundproof booth into a very pleasant room on the 2<sup>nd</sup> floor.

Marianne is seeing patients for hearing tests, tympanometry, speech audiometry, Tinnitus retraining therapy, wax removal, and hearing aid fittings. Patients are referred from GPs, Bupa GPs, ENT Consultants, Medico Legal and Great Western Rail and self-referrals. Marianne is a provider to almost all the private medical insurance companies.

During her time North Bristol Trust Marianne set up the bone anchored hearing aid programme for the west of England, running the clinics with an ENT consultant for eight years.

In private practice Marianne has worked with most of the senior ENT consultants in Bristol and is currently working closely with Oliver Dale.

## Upcoming Events

All Certificates of Attendance for our Second Series of lectures for 2022 have now been sent out. If you haven't received it, then please contact me directly.

We will be announcing the programme for our third and final series of GP Educational lectures in mid/late August.

We will continue to offer these free lectures via zoom for the rest of the year, as we continue with PPE in Litfield House due to the vulnerable patients coming into our Day Surgery Suite.

These free lectures are certified, and you will receive a certificate, which will give you points towards your Continual Professional Development

Please do let your colleagues know about our lectures, they can sign up to our mailing list on:
