Dear GP

I do hope you all enjoyed the Queen's Platinum Jubilee celebration long weekend. At Litfield House, we decked our halls with bunting and the staff, consultants and patients enjoyed homemade Jubilee Cupcakes in celebration of this momentous occasion.

We currently have a vacancy at Litfield House (see below section), which would be ideal for a semi-retired individual. If you know anyone that would meet this criteria and would like to join our small friendly team at Litfield, please do pass on our details.

Upcoming Events

Our second series of lectures have now finished, and Certificates of Attendance will be sent to you shortly.

Our next series of GP Educational lectures will start on Thursday 22nd September, and we will be sending out the programme of lectures in August, so you can secure your place.

We will continue to hold these lectures virtually this year, as we are continuing with Covid protocol at Litfield House, due to the vulnerable patients who attend our Clinics and Day Surgical Suite.

A questionnaire will be sent out in the Summer for your comments about how we run our lectures, so we would be very grateful if you could spend a couple of minutes filling it out, so we can tailor our lectures accordingly.

In the interim, I wish you all a fabulous Summer and look forward to welcoming you back in September.
