HEALTHCARE BUSINESS OF THE MONTH

Somerset Early Scans is an award-winning private ultrasound clinic based in Bristol, Bridgwater and Bath. Led by Doctors with industry leading clinical governance, the company is rated "Outstanding" in all areas by the Care Quality Commission.

We offer a range of services, including early viability scans, dating scans, reassurance scans, gender determination scans, and growth scans, providing expectant parents with clarity and peace of mind.

In addition to pregnancy scans, we also provide women's health ultrasound services, such as pelvic scans and endometrial thickness scans, to support women at all stages of life. Our highly trained and compassionate sonographers use advanced ultrasound technology to deliver accurate results in a discreet, comfortable, and professional environment.

We prioritise exceptional care, quality, and patient well-being, ensuring every appointment is a positive and informative experience. Whether you're seeking reassurance in pregnancy or insights into your reproductive health, we are committed to providing the highest standard of care.

We are now running a Clinic in Bristol at Litfield House Medical Centre. Our contact details for appointments are:
